Meet the all new Tech Tub²® family.

Fits your devices. Suits your budget.
Goes where you go.

The Tech Tub²® collection of device storage and charging systems has mobility at its core. Trolleys, Modular Carts, a Premium Cart and now a Dual Duty Teaching Easel, are all designed to easily move devices wherever learning takes place. The flexible Tech Tub²® system allows schools to purchase individual tubs, carts or both as they roll out devices.
